We at Joynetwork Church

Are so excited that you have made the decision to become a member of the church and to be a part of our family where you will be loved and taken care of.

By partnering with Joy Network Church, you will experience the miracle working power of Jesus Christ, as well as being a part of seeing the lost coming into the full knowledge of Jesus Christ.

We at Joy Network Church firmly believe in the family unit as God's means to bring stability in a community. We believe it is our duty to Evangelise the unsaved in our local community and make it our business to encourage fellowship amongst believers in the area.

Joy Network Church is an end-time Spirit filled church birthed by the Holy Spirit to minister life to both non-believers and believers alike.

We are a Bible believing church who believes in the the freedom that Jesus paid for on the cross, whereby our lives can be changed by the power of God thus allowing God's people to be free to walk in their divine destiny... (***Ephesians 1:11-14***)

Go into all the world and preach the gospel to every creature. He who believes and is baptized will be saved but he who does not believe will be condemned, and these signs will follow those who believe, " In My name they will cast out demons; they will speak with new tongues they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover".

OUR KEY SCRIPTURE

JOHN 8:32

AND YOU WILL KNOW THE TRUTH AND THE TRUTH SHALL MAKE YOU FREE !!!!!

Children's Ministry...

Joy Network is believing God to raise up Leaders called into this ministry who are passionate about our children. You may ask why do we need this ministry, Why is it so important? Because, children matter to God. He values them not only for who they are today, but also for who they will become in the future. Jesus reminded his disciples that to understand God's Kingdom, they needed to observe, learn from, and imitate young children. **Luke 18: 16-17.**

Children's Ministry @ Joy Network Church will...

- Constantly work to introduce the children to Jesus.
- Present the Good News in age appropriate ways all throughout childhood.
- Help them see that Jesus desires for children to be especially His, to thrive and enjoy abundant life promised through His Word where Jesus desires for children to grow up and fulfil the destiny, plans and purposes He has ordained for them.
- Help children learn how to **"praise and worship"** the Lord from an early age.
- Children will get to learn and apply the scriptures which will be so beneficial for them.
