**Joy Network Bible School:** is committed in training and equipping future leaders by means fact - to - face, by presentation, or virtual format training methods

This POSSESS THE LAND study program is designed to equip believers to understand their authority and position in Christ and to live victorious Christian lives. It is the mission of JNBS Australasia to raise up Spirit-anointed people who evangelise their world, their family, their friends, and their children.

Our purpose is as follows: *“To edify the body of Christ, to equip God's people for the work of the ministry, to unite in faith, to grow in quality, quantity, stability and integrity so that the whole body is healthy and growing and full of love.”* (Ephesians 4 V 11 – 16).

HOW TO USE THIS MANUAL Students are encouraged to read through individual Lesson notes completely to get the “big” picture; then to slowly and carefully read, meditate on and consider each section prayerfully. Understanding *the teaching is more important than learning the facts of parrot-fashion.*

This foundation will stand you in good stead for the rest of your life.

You are also encouraged to make outlines of the main points to focus your thinking and to write out the Scripture verses in full. You may want to compare various versions of the Bible to get a clearer picture of the meaning of each Scripture. Some recommended Bibles include the King James Version, the New King James Version, the New International Version, the New Living Translation, the American Standard Version and the Amplified Bible.

We recommend you purchase a digital Bible to use on your computer. Visit [www.esword.net](http://www.esword.net) or your local bookshop for more information. Take your example from the early believers. *“Now the Bereans were of more noble character than the Thessalonians, for they received the message with great eagerness and examined the Scriptures every day to see if what Paul said was true.”* – Acts 17:11 (NIV). Check everything against Scripture.

Use your mind to explain the Word of God. Never use the Bible to explain your mind and personal religious philosophy All Scripture quotations, unless otherwise indicated, are taken from the New King James Version of the Bible. When we use the generic term “man”, we are referring to mankind – male and female.

**A PREAMBLE FORWARD**

**OF**

**PASTORS HYLTON AND BEC VAN WYK**

Hylton arrived in Australia from South Africa at a very young age and worked in a Surfboard manufacturing company. It was during the time that he was attending a church in Byron Bay as a regular member, that Hylton met his lovely wife Bec. After their marriage and setting out on life's adventurous journey, the time arrived when God blessed them with 3 lovely children.

Both Bec and Hylton originate from a line of Ministry. Both their grandparents were ministers of the gospel. They would often share the same vision in pursuing God's purpose with a desire to fulfill God's destiny for their lives.

Bec and Hylton share a powerful vision, which is to see the lost saved, set free and delivered from bondages, and enjoying the life Jesus has promised those who follow Him. They both have a powerful desire and heart to see God's uncompromised Word preached and witness the power of God to set at liberty those who are sick, bound, and lost.

Many people sought help from Ps Hylton for deliverance and healing and many have been set free and healed. It was evident that God was calling them both into full time ministry. This led them to make the decision to establish a church and labor full-time where people could grow under their teaching and walk in their God given destiny, and most importantly to walk in freedom. Under their leadership, Joy Network Church was established and as they pioneered in growing the church in Tweed Heads, they have been totally dependent to be led by the complete guidance of God's Spirit.

Many people attend the Joy Network Church from far and wide, as they seek healing and deliverance under the solid uncompromised teaching of God's Word. As the anointing and the spirit moves mightily in the services, they have witnessed the oppressed set at liberty and freedom.

Pastor Hylton and Bec have always believed in ***"walking by faith"*** and not putting their trust in their own strength and abilities but being totally dependent on God. This is what is so special about Joy Network Church. Every step of the way Hylton and Bec have lived a life of complete faith, taking massive steps trusting God to move by His Spirit **Matthew 10:1. *"And when He called His twelve disciples to Him. He gave them power over unclean spirits, to cast them out, and to heal all kinds of sickness and all kinds of disease."***

What is abundantly evident in their ministry is confronting the demonic and publicly seeing people delivered and set free powerfully from demon powers, which is not always a popular topic in church life. As Pastor Hylton often says, "We are not here to keep people entertained or the seats filled, we are here to fulfill God's mandate and the results are evident".

## OUR PRAYER FOR YOU

*“Therefore I also, after I heard of your faith in the Lord Jesus and your love for all the saints, do not cease to give thanks for you, making mention of you in my prayers: that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints”*

### **Ephesians 1:15–18 (NKJV)**

*“I ask the God of our Master, Jesus Christ, the God of glory—to make you intelligent and discerning in knowing Him personally, your eyes focused and clear, so that you can see exactly what it is He is calling you to do, grasp the immensity of this glorious way of life He has for His followers. ”*
